## **Important Notes:**

- **All electronics and valuables are to be left at home.**
- Due to increased allergy concerns, we ask that **NO** outside food be brought to conference. **Snacks and refreshments will always** be made available to youth.
- **Many participants bring similar items.** It is in your best interest to **label all items**, which will make lost items easily returned.
- Please label **all** medication, as it will be collected during registration and administered as directed.
